

WINDOW CORP.  
"Where Quality Rules"  
Since 1955

## APRIL PROJECT HIGHLIGHT

Construction was completed successfully on the North Smithfield Middle School located in North Smithfield, Rhode Island.

The project is owned by the town of North Smithfield School Department and the Architect for the project was RGB Corporation, located in Providence, Rhode Island. The General Contractor was Gilbane Construction. Lockheed Window Corp. acted as the Sub-Contractor, installing the windows and doors for the project.

The project consisted of 165 40P Series Moduline window units with glazed-in Arrow EA-40S 4" deep louvers.

Along with the windows, 52 Vistawall curtain wall units and 11 pair of Series 500 entrance doors were installed by Lockheed Window Corp.'s certified installation crew.

Solar Eclipse Integrated sunshades were provided by Vistawall to complete the windows.

**Lockheed Window Corp. has over thirty years of commercial market experience in institutional organizations such as schools, colleges, hospitals, private and public housing complexes, condominiums and office complexes. We provide experienced on-site engineering for all installed products. All of our commercial sales projects are insured and most are bonded. All projects are installed by our own certified installers. We do not utilize subcontractors.**

**"Our commitment to our customers is to provide the most competitive price for a quality project in an acceptable time frame with outstanding customer service."**
