

AUGUST PROJECT HIGHLIGHT

Chor Bishop Joseph EID Apartments Fall River, MA

The renovations to the Chor Bishop Joseph EID Apartments are now complete. Lockheed Window Corp. was the General Contractor for the project.

The project, owned by the Fall River Housing Authority, Fall River, Massachusetts is represented by the prestigious architectural firm of Knight, Bagge & Anderson, Inc. of Charlestown, Massachusetts.

The four story residential facility consists of two EFCO 5600 2 1/4" curtainwall frames, thirty eight window openings consisting of both EFCO 3500 Horizontal Sliders and EFCO 3900 Fixed windows systems. All the units were installed by Lockheed's own certified construction crew. The project also utilized McGill Architecturals AF645 sunscreen system, Vanceva colored interlayered glass (003C Red), Mapes insulated panel systems and CEP Petrach rain screen panel systems.

Lockheed Window Corp. has over thirty years of commercial market experience in institutional organizations such as schools, colleges, hospitals, private and public housing complexes, condominiums and office complexes. We provide experienced on-site engineering for all installed products. All of our commercial sales projects are insured and most are bonded. All projects are installed by our own certified installers. We do not utilize subcontractors.

"Our commitment to our customers is to provide the most competitive price for a quality project in an acceptable time frame with outstanding customer service."
