## DECEMBER PROJECT HIGHLIGHT

### LINCOLN MIDDLE SCHOOL

Construction was completed on the new Lincoln Middle School, located in Lincoln, Rhode Island. The school is owned by the Town of Lincoln and the project was designed by Architecture Involution, Inc. of Wayland, Massachusetts.

Gilbane Construction Company, represented by Bacon Construction Co., Inc. of East Providence, Rhode Island, acted as the general contractor for the project.

*The project consisted of 404 single hung, fixed and circle top window units, manufactured by Graham Architectural Products, a nationally recognized company located in York, PA. Eight storefront units were also installed, manufactured and supplied by Alumicor, a well known company based out of Toronto, Canada. All window and storefront units were installed by Lockheed's own installation crews.*

Lockheed Window Corp. has over thirty years of commercial market experience in institutional organizations such as schools, colleges, hospitals, private and public housing complexes, condominiums and office complexes. We provide experienced on-site engineering for all installed products. All of our commercial sales projects are insured and most are bonded. All projects are installed by our own certified installers. We do not utilize subcontractors.

**"Our commitment to our customers is to provide the most competitive price for a quality project in an acceptable time frame with outstanding customer service."**
