## FEBRUARY PROJECT HIGHLIGHT

### BELLINGHAM HIGH SCHOOL BELLINGHAM, MASSACHUSETTS

**Lockheed Window Corp. completed the installation of windows and doors to the newly constructed Bellingham High School, located in Bellingham, Massachusetts. The General Contractor for the project was Eastern Contractors Inc., a company based in Framingham, Massachusetts. The Architect for the project was Keyes Associates, LLC.**

*The project consisted of 228 window systems of fixed and fixed over project out units in Hartford Green finish manufactured by Wausau Window & Door Systems. Five Alumicor Series 850 Entrance Door systems and 3 fixed frames with arches were also included in the project. All windows and doors were installed by Lockheed's certified construction crew.*

Lockheed Window Corp. has over thirty years of commercial market experience in institutional organizations such as schools, colleges, hospitals, private and public housing complexes, condominiums and office complexes. We provide experienced on-site engineering for all installed products. All of our commercial sales projects are insured and most are bonded. All projects are installed by our own certified installers.

We do not utilize subcontractors.

**"Our commitment to our customers is to provide the most competitive price for a quality project in an acceptable time frame with outstanding customer service."**
