# JANUARY PROJECT HIGHLIGHT

## ABINGTON HIGH SCHOOL ABINGTON, MASSACHUSETTS

Lockheed Window Corp., acting as the General Contractor, completed the 2008 renovations of Abington High School in collaboration with the architectural firm of Gale Associates of Weymouth, Massachusetts.

*The three story renovation included 678 Series 7861 fixed over project-in window units manufactured by Keystone Industries, located out of New Castle, PA. Lockheed Window Corp.'s installation crew also installed 12 pairs and 10 single SL-17 door units from Special Lite Inc.*

Lockheed Window Corp. has over thirty years of commercial market experience in institutional organizations such as schools, colleges, hospitals, private and public housing complexes, condominiums and office complexes. We provide experienced on-site engineering for all installed products. All of our commercial sales projects are insured and most are bonded. All projects are installed by our own certified installers. We do not utilize subcontractors.

**"Our commitment to our customers is to provide the most competitive price for a quality project in an acceptable time frame with outstanding customer service."**
