JULY PROJECT HIGHLIGHT

COVENANT HOUSE
BRIGHTON, MA
Renovations were completed to the Covenant House I & II housing units located in Brighton Massachusetts.

The owner of the multiple unit complex is B'Nai B'rith I & II, Inc., of Brighton Massachusetts. The Thompson & Litchner Company, Inc. of Cambridge, MA acted as the Architect and Lockheed Window Corp. was the General Contractor for the project.

Covenant House's 242 subsidized units were built in 1982 and serve those elder and disabled who qualify for HUD subsidy by income and age/disability.

The renovation consisted of installing 429 TRACO NX-640 horizontal sliding windows and 15 TRACO NX-740 fixed windows. All material was provided in a 70% PPG-Kynar painted finish.

Lockheed Window Corp. has over thirty years of commercial market experience in institutional organizations such as schools, colleges, hospitals, private and public housing complexes, condominiums and office complexes. We provide experienced on-site engineering for all installed products. All of our commercial sales projects are insured and most are bonded. All projects are installed by our own certified installers. We do not utilize subcontractors.

"Our commitment to our customers is to provide the most competitive price for a quality project in an acceptable time frame with outstanding customer service."
