SEPTEMBER PROJECT HIGHLIGHT

MASS MARITIME ACADEMY BUZZARDS BAY, MA

Construction of the new library, the American Bureau of Shipping Information Commons, is complete. The owner is the Mass Maritime Academy and the General Contractor for the project is W.T. Rich Company, Inc. of Newton, MA. The architect was Perry Dean Rogers Partners, of Boston, MA. Over 100 years old, the Mass Maritime Academy is a four year college located in Buzzards Bay, MA, specializing in environmental studies/professions.

The extensive curtain wall systems were EFCO Series 5600 and the entrances were EFCO D500 model series, all in clear anodized finish. The building also included a Horton Hurricane Rated 80 PSF Slider, an EFCO 5600 Series Slope Wall and Industrial Louver 17" sunshades. All window systems were installed by Lockheed Window Corp.'s certified installation crews.

Lockheed Window Corp. has over thirty years of commercial market experience in institutional organizations such as schools, colleges, hospitals, private and public housing complexes, condominiums and office complexes. We provide experienced on-site engineering for all installed products. All of our commercial sales projects are insured and most are bonded. All projects are installed by our own certified installers. We do not utilize subcontractors.

"Our commitment to our customers is to provide the most competitive price for a quality project in an acceptable time frame with outstanding customer service."
