MAY PROJECT HIGHLIGHT

1661 WORCESTER ROAD OFFICE PARK, FRAMINGHAM, MA

Renovations were completed to the 1661 Worcester Road Office Park Building in 2009. The owner is Worcester 1661, LLC located in Westborough, Massachusetts. The Architect for the project was Cubellis, LLC of Boston, Massachusetts. Lockheed Window Corp. acted as the General Contractor for the project.

The project is a five story building which consisted of forty (40) narrow window bays spanning the height of the building. Lockheed Window Corp.'s Series 6125 Fixed over Fixed window systems with bronze ellipse glass were manufactured for all floor levels. The windows were supplied in dark bronze anodize aluminum finish.

Lockheed Window Corp. has over thirty years of commercial market experience in institutional organizations such as schools, colleges, hospitals, private and public housing complexes, condominiums and office complexes. We provide experienced on-site engineering for all installed products. All of our commercial sales projects are insured and most are bonded. All projects are installed by our own certified installers. We do not utilize subcontractors.

"Our commitment to our customers is to provide the most competitive price for a quality project in an acceptable time frame with outstanding customer service."
