

WINDOW CORP.
"Where Quality Rules"
Since 1955

MAY PROJECT HIGHLIGHT

Renovations are complete to the Soldiers Home, located in Holyoke Massachusetts. Soldiers' Home in Holyoke is a State Veteran's Home that operates under a Board of Trustees appointed by the Governor of the Commonwealth. The organization provides quality health care with honor and dignity to all eligible veterans in the Commonwealth of Massachusetts. The buildings were officially dedicated and opened on April 27th, 1952.

Lockheed Window Corp. acted as the General Contractor for the project in partnership with Caolo & Bienick of Chicopee, MA as the architect.

The project consisted of removing and installing 836 fixed over project-out windows within 236 openings. Windows provided were EFCO 510-1 (2 ½") window systems w/PPG Solargray over Solarban 70XL insulated glass. All window framing was provided in a custom "Holyoke Beige" paint finish. Entrance framing was also furnished and installed to accept six Stanley Dura-Glide 3000 Slider packages around the complex in a clear anodized finish. A 400 square foot greenhouse system by Solar Innovations of Pinegrove, PA will also be installed in the near future.

Lockheed Window Corp. has over thirty years of commercial market experience in institutional organizations such as schools, colleges, hospitals, private and public housing complexes, condominiums and office complexes. We provide experienced on-site engineering for all installed products. All of our commercial sales projects are insured and most are bonded. All projects are installed by our own certified installers. We do not utilize subcontractors.

"Our commitment to our customers is to provide the most competitive price for a quality project in an acceptable time frame with outstanding customer service."
