## NOVEMBER PROJECT HIGHLIGHT

**PARKER MIDDLE SCHOOL  
TAUNTON, MASSACHUSETTS**

The renovations to the Taunton High School/Parker Middle School buildings were completed in the Spring of 2010. The architect for the project was Design Partnership of Cambridge, Massachusetts. Agostini Construction, of East Providence, Rhode Island acted as the General Contractor. The owner of the building is the Taunton School Department.

The project consisted of 63 openings containing a total of 151 EFCO Series S2700 windows in PPG Duramar Sunstorm Silversmith finish. EFCO, a national company headquartered in Monett, Missouri, also provided the 10 EFCO S5600 Series curtainwalls, 2 Series S433 storefront units and the 5 pairs of EFCO D518 Durastile doors. All the units were installed by Lockheed Window Corp.'s certified installation crew.

Lockheed Window Corp. has over thirty years of commercial market experience in institutional organizations such as schools, colleges, hospitals, private and public housing complexes, condominiums and office complexes. We provide experienced on-site engineering for all installed products. All of our commercial sales projects are insured and most are bonded. All projects are installed by our own certified installers. We do not utilize subcontractors.

**"Our commitment to our customers is to provide the most competitive price for a quality project in an acceptable time frame with outstanding customer service."**
