# OCTOBER PROJECT HIGHLIGHT

## ROXBURY DISTRICT COURTHOUSE

Renovations were completed this summer to the Roxbury District Courthouse in Roxbury, Massachusetts. The owner is The Commonwealth of Massachusetts. The Architect on the project was Habeeb & Associates Architects, Inc. of Norwell. Seaver Construction of Woburn acted as the General Contractor.

The project consisted of an EFCO 5600 segmented curtainwall entrance constructed of rugged wide stile doors applied over the front entrance of the building. Graham Architectural 6000 Series fixed/project-out vents were also installed throughout the building. All materials were provided in a black XL paint finish.

Lockheed Window Corp. has over thirty years of commercial market experience in institutional organizations such as schools, colleges, hospitals, private and public housing complexes, condominiums and office complexes. We provide experienced on-site engineering for all installed products. All of our commercial sales projects are insured and most are bonded. All projects are installed by our own certified installers. We do not utilize subcontractors.

**"Our commitment to our customers is to provide the most competitive price for a quality project in an acceptable time frame with outstanding customer service."**
