SEPTEMBER PROJECT HIGHLIGHT

SOUTHERN CT STATE UNIVERSITY NORTH CAMPUS, NEW HAVEN CT

Partnering with Keystone Industries, Lockheed Window Corp. supplied and installed the replacement window systems for the Townhomes on the North Campus in 2009.

Lockheed also completed the 2007 renovations to the North Campus seven story dormitories in collaboration with the architectural firm of Oak Park Architects of West Hartford, Connecticut.

The seven story dormitory renovation project consisted of 534 Window Systems manufactured by Keystone Industries, a company located in New Castle, PA. All the units were installed by Lockheed's own certified construction crew. The entrance doors were supplied by Alumicor Limited, located in Nova Scotia, Canada.

Lockheed Window Corp. has over thirty years of commercial market experience in institutional organizations such as schools, colleges, hospitals, private and public housing complexes, condominiums and office complexes. We provide experienced on-site engineering for all installed products. All of our commercial sales projects are insured and most are bonded. All projects are installed by our own certified installers. We do not utilize subcontractors.

"Our commitment to our customers is to provide the most competitive price for a quality project in an acceptable time frame with outstanding customer service."
