

WINDOW CORP.
"Where Quality Rules"
Since 1955

JANUARY PROJECT HIGHLIGHT

St. Augustine School Ossining, New York

Renovations were completed to St. Augustine School located in Ossining, New York. The windows were sold to Croton Home Center, located in Ossining, for installation in the school.

Croton Home Center has been a customer of Lockheed Window Corp. since March, 2009, and has been doing business as a master exterior building material distributor in the area for over 60 years.

St. Augustine School has existed in its' current location since the late 1970's but has been serving the community since 1925.

Over 104 Lockheed Series 6125 fixed over project out and picture window units were installed in the school and its kitchen. The windows were clear anodized aluminum finish.

Through the years, Lockheed Window Corp. has assembled and maintained a team of window industry professionals that rival the skills and depth of even the largest national window manufacturers. We offer a vast variety of products to suit our customers' needs and are always adding new products to maintain our place in the ever changing market of replacement and new construction windows and doors.

"Our commitment to our customers is to provide the most competitive price for a quality project in an acceptable time frame with outstanding customer service."
